**NORTH SOIL ENG (M) SDN BHD**

# **NORTH SOIL ENGINEERING ENTERPRISE**

was formed in 1990 as a soil investigation contractor with minimum resources and machineries. The company gradually divested into foundation, slope strengthening and rehabilitation works.

The company was revamped as NORTH SOIL ENGINEERING (M) SDN BHD in 1998 to reflect the expansion which was formerly known as NORTH SOILES (M) SDN BHD between October 2007 and May 2012.

The company is housed in its own story building which is situated at Kepong Prima, along the main Kuala Lumpur Kepong Road.

Today, North Soil Engineering is able to take on the role of a main contractor from medium to large projects and perform project management service to coordinate specialist trades for industrial/ commercial projects. our projects management and execution philosophy is to create detail schedule and resources plan to meet client's project objective, communicate clearly with all project stakeholders, track project progress and fine-tune deviations, supervise closely on quality of work done, complete and commission the project in time.

The Management, professional and office staff totals twenty five. The site management and supervisory staff average about twenty personnel. The company also employs drillers, welders, and plant operators, other skilled and unskilled workers mainly from Bangladesh, Nepal and India. The work force fluctuates from 180 to 210 depending on the returnees at any spastic period.

We take pride in our delivery thus, our clients can always be assured that at all the times only the most experienced and qualified people are serving them prompt and efficient manner.

# Main activities undertaken by our company are as follows:

## Foundation Works

- Bore pile
- Micro pile
- Hand Dug Caisson
- Substructure Works

## Slope Stabilisation

- Strengthening
- Soil Nailing
- Guniting
- Rock Bolt
- Ground Anchor
- Sheet Pile
- Earthwork
- Rock Excavation & Blasting
- River Widening

## Ground Improvement Works

- Pressure Grouting
- Jet Grouting
- Stone Column

## Geotechnical Investigation

- Soil Investigation
- Instrumentation
- Mineral Exploration
- Dam Exploration
- Reverse Circulation (RC)

## Water Well Construction

**THE COMPANY HAS OBTAINED THE FOLLOWING:-**

### **CIDB GRADE 7**
